- 2) DO First aid at a scene at a safe distance from any building or structure;
- 3) DO Clean up service at the scene of a fire, BUT outside the structure only, AND ONLY after the fire has been declared by the official in charge to be under control; and/or
- 4) DO provide coffee and food service at the fire scene if needed, BUT ONLY outside of the structure and a safe distance from the structure.

THE JUNIOR FIREFIGHTER CANNOT:

- 1) DO NOT Operate pumps or high-pressure hoses of any fire vehicle while at the scene of a fire;
- 2) DO NOT Drive any fire apparatus ambulance or other fire vehicle; and/or operate red lights, siren or an audible signal in responding to an alarm on their own personal vehicles or any other vehicle;
- 3) DO NOT Operate an aerial ladder, aerial platform or hydraulic jack at a fire scene;
- 4) DO NOT Use or assist in the use of rubber electrical gloves; insulated wire gloves; insulated wire cutters; life nets; acetylene cutting units; K-12 power saws; air chisels; porta-powers; hydraulic rescue tools; or other equipment related to rescue and fire

operations at a fire scene; and/or

5) DO NOT Enter a burning structure.

A JUNIOR FIREFIGHTER MAY ONLY:

- Respond to a fire while school is in session or during school hours if the fire official in charge has obtained permission from the minor's school principal.

This list is not intended to be an all-inclusive listing of all do's and don'ts permitted by law for Junior Firefighters. Common sense should be used at all times by the line officers supervising the Junior Firefighters. Fighting fire has been designated as a dangerous activity by the law, and should be treated as such, with special concern as to the safety of Junior Firefighters.

If you have a question on what is allowed or not allowed, and it is not specifically included in this list, please contact the State Fire Marshal's Office at 304-558-2191.
