

Get Alarmed West Virginia September 11th to October 10th

The WV State Fire Marshal's Office is partnering with the American Red Cross West Virginia Region and is looking for volunteers to help with "Get Alarmed West Virginia" Smoke Alarm Initiative during Governor's Day to Serve. The Governor's Day to Serve is a unique annual initiative that transcends politics and religious differences. It unites people of all faiths, races, cultures, and backgrounds with the shared goal of helping those in need and improving the communities where they live. It is a movement started in Maryland, Virginia, West Virginia and D.C. to motivate people to get involved in service events each year from September 11th to October 10th.

We are looking for volunteers, who would like to join us on the days of September 16th, September 30th or October 14th, 2017.

The Smoke Alarm Initiative is a campaign to reduce fire deaths and injuries by providing and installing smoke alarms for FREE to those requesting them. The goal is to reduce the number of deaths and injuries in West Virginia related to home fires.

***You can be a part of helping to change and save lives.
Just call the WV SFMO at 304-558-2191 and tell us how you want to help. If you want to help immediately to meet the needs of those in your community who do not have working smoke alarms, contact the American Red Cross at 1-844-216-8286.***
